

March 6, 1975

SENATOR DeCAMP: Mr. President, members of the Legislature, a very minor technical change to save some money for the Legislature. It's Senator Duis' proposal and he will explain it.

PRESIDENT: Senator Duis.

SENATOR DUIS: Thank you Mr. President and thank you Senator DeCamp. This rule change was brought up during the last term. It was, I believe, close to the end of the term and consequently was not brought forth on the floor of the Legislature. It's a very simple rule change which will allow that if a bill on Final Reading is brought back to Select File for specific amendment, and the specific amendment is not adopted and the bill remains in exactly the same form of that which it was when on Final Reading, that the bill would then be advanced back to Final Reading in its form, and would not have to go through engrossment and waste the time and expense of reprinting the bill.

PRESIDENT: Any discussion?

CLERK: This rule change is found in the middle of page 618. It's an amendment to Rule 6, Section 7, sub (d).

PRESIDENT: This is your motion Senator DeCamp. Do you wish to be heard? The question is the adoption of the rule change, as proposed by the Rules Committee, chaired by Senator DeCamp. It is found on pages 618 and 619. Record your vote. Have you voted? Record.

CLERK: 34 ayes, 1 nay, 14 not voting.

PRESIDENT: The motion passes and the rule is adopted.

We can now go back to General File. Chair recognizes the Speaker.

CLERK: Mr. President, I have a series of new bills to put in.

PRESIDENT: Well we'll recognize the Speaker first, Mr. Clerk.

SPEAKER: I'd like to make a comment. Yesterday, about this time, I indicated that we would hear LB 575, which is the legislators salary bill, and 529. They're out of order but they're very important. Senator Marvel wants 529 to be discussed. It is the deficiency appropriation. The other one . . . I think we have to pass it pretty soon or be out of money and not have any money for our salaries. I'm, therefore, asking that they be considered, the first order of business. I'm sorry I did not get it put into the calendar.

PRESIDENT: Mr. Clerk. We'll proceed to introduce some bills.
